THE RITUAL OF MEHR

Experience the state of happiness

Sweet Orange & Cedar Wood

We are surrounded by the purest and sacred cosmic elements of all, namely the Sun –or *Mehr*, which is shining its fiery energy upon us, bestowing light, warmth & life to our planet.

‘The Ritual of Mehr, which in Persian means kindness, love and the sun, shares the notion to think of our own hearts as a sun; bursting rays of sunshine that transcend warmth & happiness within our own body, mind & soul.
